Changes Changes

Changes Changes

Changes

Changes

CHANGE, a word which reflects progress and adventure. How we deal with CHANGE will mold our future. CHANGES, within VSC, are the result of the administrations, the faculty, the staff, and the students' determination to make VSC a better college.

Having to CHANGE

During the fall of '82, VSC students had a new team to support. Blazer football was a CHANGE that drew many new students to VSC. The enrollment fall '81 was 4,909 students and fall '82 enrollment increased to 5,548 students.

This enrollment CHANGE forced numerous commuting students to change their departure time in order to find a parking place (along the cemetery) and to walk long distances to get to classes.

College Union Board

Entertainment. John Metts head of the College Union Board filled the campus with activities for all tastes of Valdosta State College. The Whithead auditorium had a movie every Sunday night sponsored by the C.U.B. It included all the favorite movies of the year including Sharky's Machine, Chariots of Fire, On Golden Pond, and Raiders of the Lost Ark.

The two student hangouts on VSC campus, the CUB snack room and the Blazer game room, had special events held there every quarter. The Director's Chair, held in the snack room, began winter quarter and featured special talent within the Valdosta area. Many of the shows included singing, mime, and a special snack bar menu. Billard tournaments and ping-pong tournaments were held at the game room once a quarter for those students with the special talent to compete.

The VSC Talent Show held fall and spring quarter picked a number of the most cultured talent on campus. Prizes were given and there were a number of students to compete making it a special event for the C.U.B. Getting students involved is what made the CUB special to the VSC students.

The CUB also brought in professional entertainment. The CHICAGO concert, held in the new P.E. Complex, brought a sellout crowd to VSC and was a definite delight to not have to leave Valdosta for Tallahassee or Albany to see a major concert. Other events of entertainment were Bill Clay, magician, and Tom Deluca, a hypnotist.

Not Just Another Pretty Face

MODERN PHOTOGRAPHICS
DAVE BOSSE

"You've come a long way baby." We at Valdosta State College were taught that beauty was only skin deep. Just a pretty face would get you a man/husband, and a seat on the bus. The beautiful women of VSC proved this point every year during the many pageants held at VSC. Such pageants as Homecoming Queen, Miss VSC, Miss Black VSC, and the TKE Calendar girls are titles VSC girls prepare for all during the year.

The girls entering these contests are self-confident, intelligent, well-rounded individuals. They also must be talented, clear and quick thinking, to enhance their beauty. Being beautiful in 1983 is a far cry from the beauties of 1883. When the students of today finally realized that beauty was not everything and took into account all the things that make a person beautiful, then it was a Change for the better.

Kelly SCHROER

Bailey's Tradition Remains Unchanged

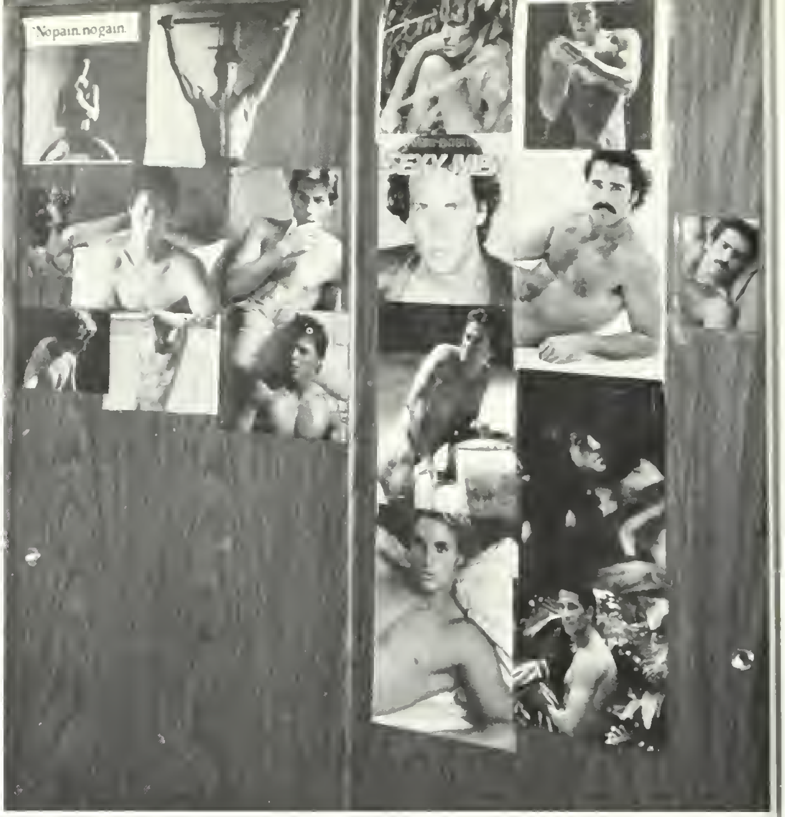
Some things never change! Popcorn and cider social, Christmas tree lighting, and the spring ice cream social are a tradition with President Bailey and his wife Joan. This is a welcomed tradition for the Bailey's and VSC students.

Dorm Life Versus . . .

Living in a dorm room at Valdosta State College may not be most students idea of luxury. but face it, it is the best most students can afford The rooms are equipped with two desks, two chairs, two beds, and two closets for the special price of $189 a quarter. The community bathroom provides enough room for half the hall to shower while the other half waits, and the lobby provides chairs and a television for all to catch up on the latest news and gossip. This set up is an affordable one only for the best, the students at VSC.

Apartment Life

A good many of the students of VSC seem to stray away from the togetherness and comfort of a dorm room and strike out on their own. This independent living on the Valdosta State College Campus is defined as an apartment. Here the student is left to cook for himself, clean for himself, and study by himself. They are the loners of this campus. The elite, who have and expect only the best of themselves and of others living here. They were offered the privilege of a bathroom, a kitchen, and a room all to themselves with no visitation rules. VSC apartments, where you find only the most responsible and intelligent students.



No pain. no gain.

And Day Out

Floyd's Café Brings

The Valdosta State College cafeteria brought on some refreshing changes this year. Although every meal eaten in the cafeteria was a new and exciting adventure, the additions to the café made it seem that much more like "Mom's home kitchen." The new 81 item salad bar made a nice treat for all students needing an addition of greens to their ever-so-often meat and potatoes meals. The new salad bar also helped those students trying to lose a few extra pounds.

Another nice addition to the cafeteria was the banners hung from the ceiling. Though considered a waste of money by a few, the banners absorbed sound, cutting down the noise pollution produced by hundreds of hungry students.

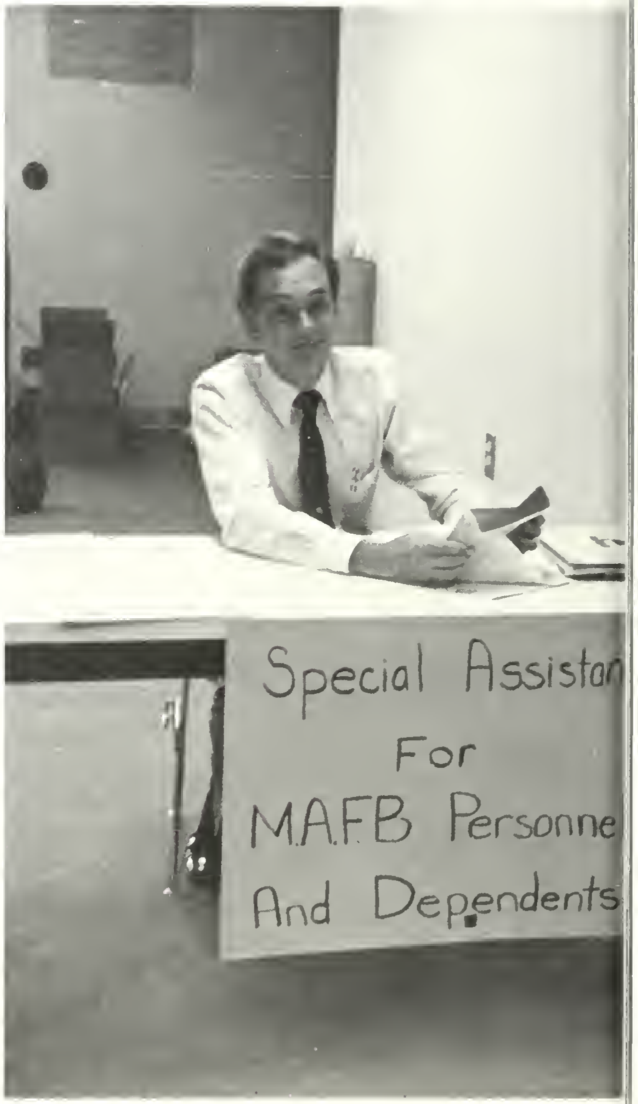
The cafeteria also had the many sponsored quarterly events that made going to eat a treat. Prime Rib night being one of the favorites with the end of the year "Luau" coming in a close second. The café helped the many late night students at the end of each quarter presenting all students with a Final Survival Kit. Other annual events recognized by the cafeteria were the turkey dinners before Thanksgiving and Christmas Holidays.

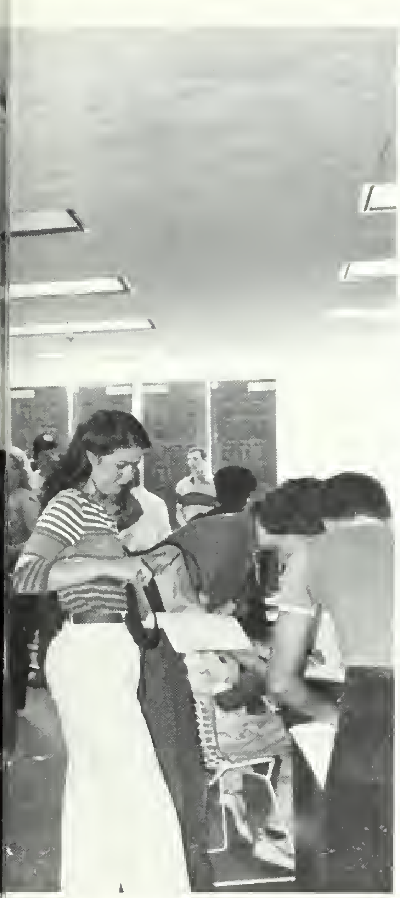
New Changes to VSC

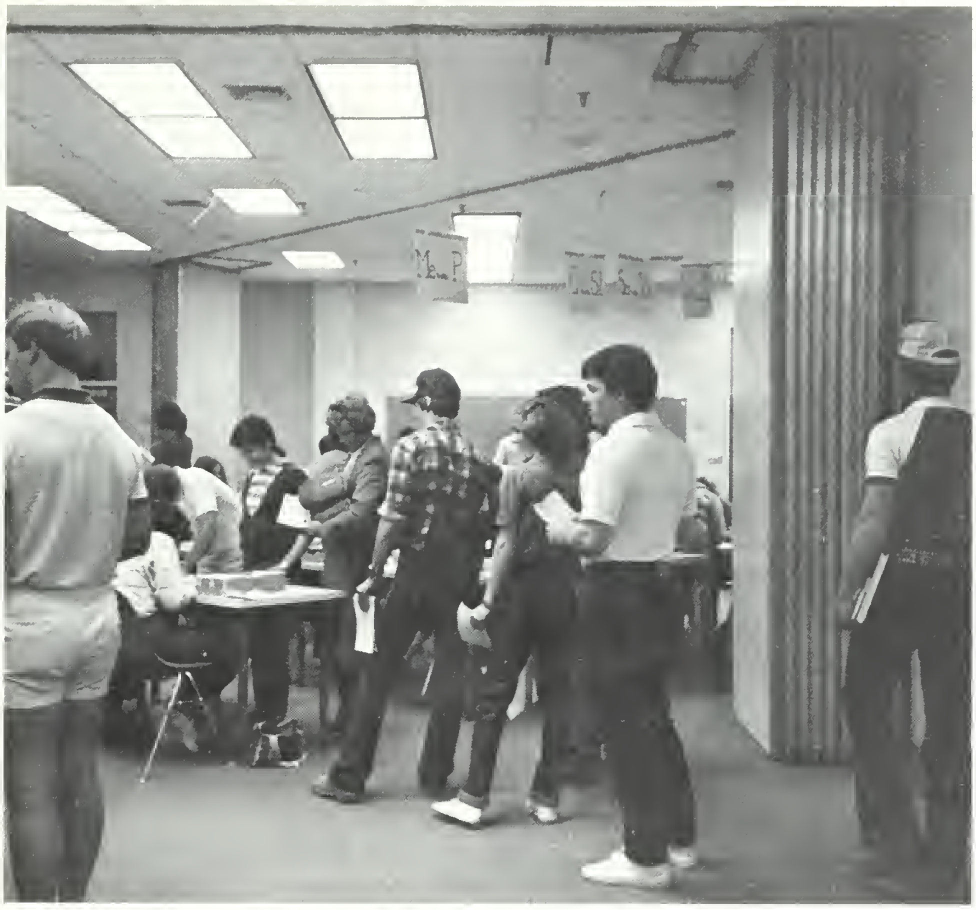
Registration . . . Will It Ever End?

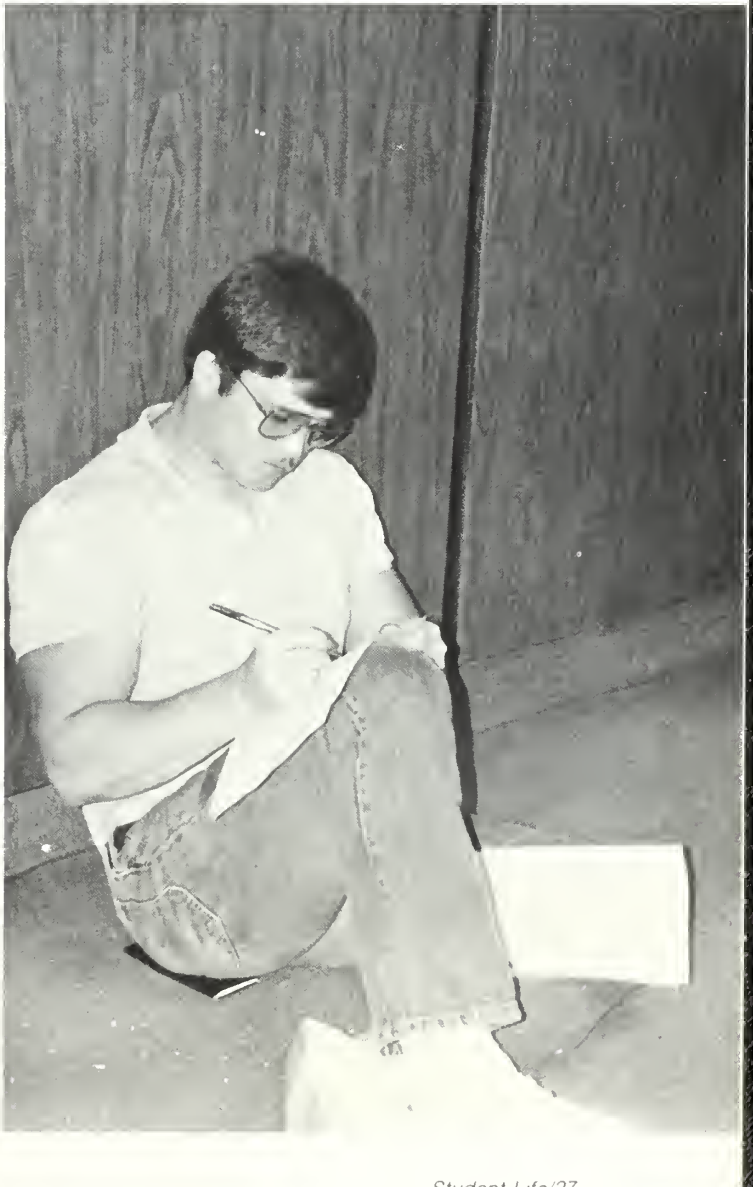
Registration is a major event which occurs at the beginning of each quarter. After being advised by an advisor the previous quarter, the student enters the maze known as the Education Building. Carrying his trusted registration schedule, he entrusts his degree and his life to the VSC Registration students who lead him from place to place. Fortunately, no student has been lost during registration, but until they find another way to register students there is still a chance.

There seems to be no one main problem with registration at VSC. An overload of students, winter quarter registered 5,000 plus which caused a lot of hassle. English 101 and Math 103 are limited to the students who need them most; Freshmen and many Sophomore subjects are left to be picked over by the students who need them least — Freshmen. No matter what time a person gets for registration it is always a bad time, and those who learn the tricks early and receive good times sometimes wish they had waited for a class that opened later in the day. And for some strange reason the Drop/Add line never seems to get any smaller the first four days of class. Will Registration ever change!









Academics, Not Subject to Change

Many students came to Valdosta State College looking for something, never the same thing, but something to help them become an educated person. Whether the something that they were looking for was friends, a place away from home, or just a whole lot of partying on the town, Valdosta was the place to come for these people. Unfortunately, staying was a whole different story. Every student attending Valdosta State College had to maintain a grade point average over 2.00 and take some sort of class load. Though many students were to find the things they were looking for at VSC, many more were to find that along with these came a little responsibility to their classes and a whole lot more responsibility to themselves to make a four year degree, in four years of college.

Places We Will Never

Forget

Dress . . .

Although jeans and jerseys were still the main fashion at Valdosta State College, students came out in the latest extreme fashions. Peasant skirts in the winter were followed by mini skirts in the spring. One piece bathing suits came back successfully along with ruffles and bows on skirts, blouses and shoes. These added a nice touch during the hot months. Stockings and peddle pushers became a favorite style to be viewed by VSC's fashion-minded students. Fashions at VSC change from year to year and some manage to remain (Ex. jeans and jerseys.)

ΠΚΦ

VSC When the Sun Goes Down

Campus Recreation Take Me Away . . .

The everyday hum-drum life of dedicated students would bore any turtle into his shell, so Valdosta State College students always found ways "to get away". Though a night on the town was always nice, it was not always affordable so students found ways to have fun inexpensively. By taking on hobbies such as jogging, working out with weights, and playing tennis, many found they could rent their frustrations elsewhere besides their roommate. Laying out in the sun, though not as strenuous, allowed girls a chance to concentrate on the guys throwing frisbee or vice versa which was always good for moral on the campus. The College Union Building provided a game room and a cafe to use while taking a break from studying. Valdosta State College campus provided all the right kinds of campus recreation for all the night kind of people, VSC PEOPLE!

KIDDLEYWINKS!

CULTURE FOR A CHANGE

Eight plays were presented by the Drama Department for the cultural enjoyment of students and families of students. These plays are open to any student who desires to perform and can adjust his course schedule to meet the necessary rehearsals. These actors performed with great style and zest and the audience had an opportunity to view a bit of culture without having to leave Valdosta.

The name of the eight plays performed at VSC were as follows: Hedda Gabler, Tribute, Night Must Fall, Feiffer's People, Kiddley Winks, American Dream, Carousel and Royal Gambit.

A Touch of Br

Broadway at VSC

"Healthful" Affair at VSC

The College Union Board sponsored a Health fair at VSC on May 5, for students, faculty and staff. The hours were from 1 to 5 p.m. Robert Yost was the coordinator for the fair in the College Union Building. Information booths were set up by the American Cancer Society, the American Heart Association, Mothers Against Drunk Drivers, the American Red Cross, the Lowndes Diabetes Association and the Lowndes County Health Department. Dr. Tom Jackson had a physical fitness information clinic.

Nursing students and registered nurses gave tests for hearing, vision, blood pressure and tuberculosis at no charge.

We Change . . .
But the Awards Remain the Same.

Academic excellence was recognized on May 4 when the student body gathered to pay tribute to those who had excelled in the classroom. This included the outstanding students from the various departments of Valdosta State College.

The major awards given include: Annie Powe Hopper to Oscar Aguero
MARGA to Pamela Dawn Skiles
MAC to Thomas Kenneth Leggett Jr.

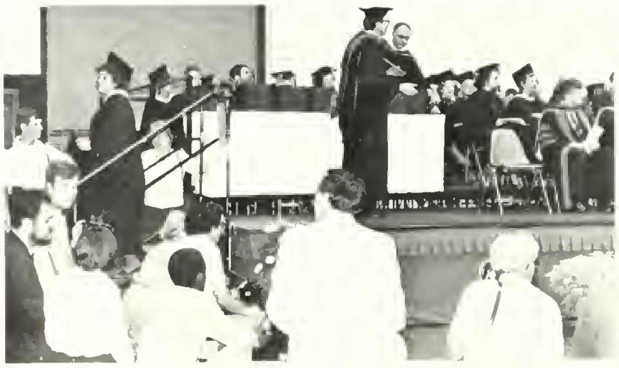
HONORS DAY PROGRAM

Graduation . . .

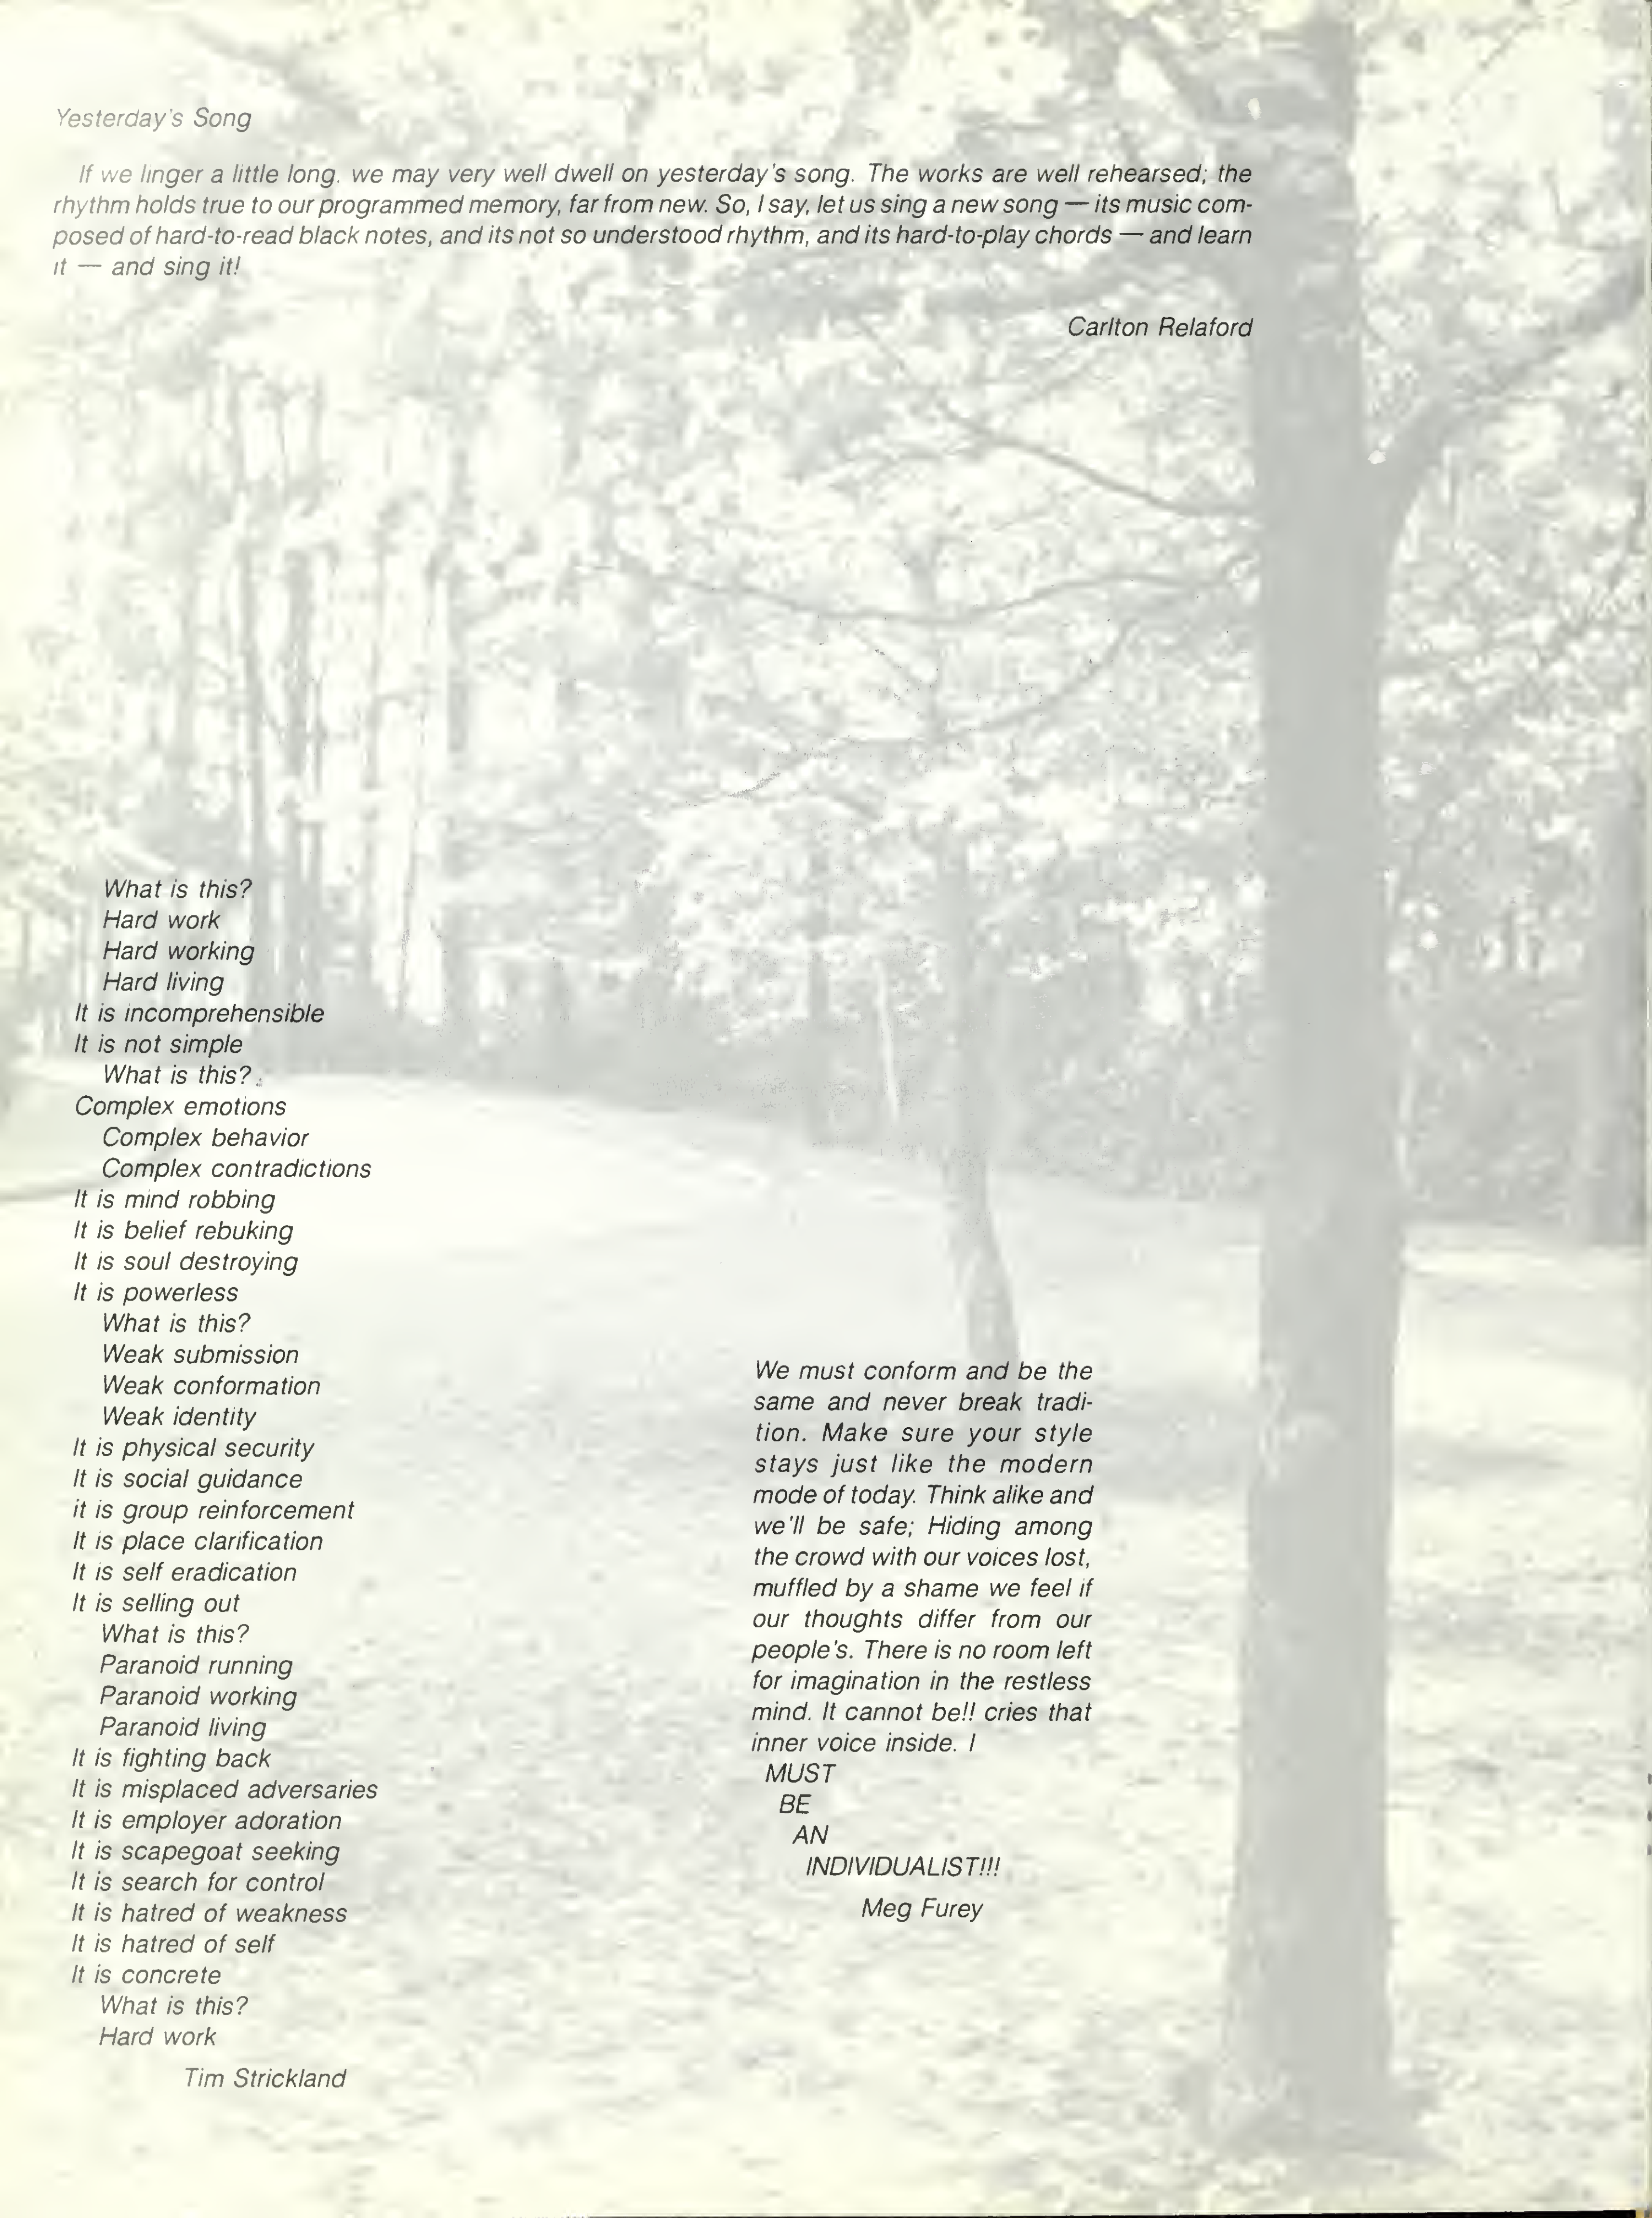
Graduation is the culmination of hard work, long nights, hectic schedules, and sheer determination. VSC graduates pride themselves in their achieved goals which they hope will prepare them for their future endeavors.

The graduation ceremony is an event shared by family, friends, and other students. It is also the occasion when the ROTC graduates are commissioned as Second Lieutenants of the United States Air Force. Nursing graduates still face the State Board Exam to become Registered Nurses.

VSC graduates, this year, facing the highest unemployment rate since the Depression. They will be continually facing challenges and tough decisions. Hopefully, the education they received at VSC will lessen the likelihood of failure.



R FOR
AT W



Yesterday's Song

If we linger a little long, we may very well dwell on yesterday's song. The works are well rehearsed; the rhythm holds true to our programmed memory, far from new. So, I say, let us sing a new song — its music composed of hard-to-read black notes, and its not so understood rhythm, and its hard-to-play chords — and learn it — and sing it!

Carlton Relaford

What is this?
Hard work
Hard working
Hard living
It is incomprehensible
It is not simple
What is this?
Complex emotions
Complex behavior
Complex contradictions
It is mind robbing
It is belief rebuking
It is soul destroying
It is powerless
What is this?
Weak submission
Weak conformation
Weak identity
It is physical security
It is social guidance
it is group reinforcement
It is place clarification
It is self eradication
It is selling out
What is this?
Paranoid running
Paranoid working
Paranoid living
It is fighting back
It is misplaced adversaries
It is employer adoration
It is scapegoat seeking
It is search for control
It is hatred of weakness
It is hatred of self
It is concrete
What is this?
Hard work

Tim Strickland

We must conform and be the same and never break tradition. Make sure your style stays just like the modern mode of today. Think alike and we'll be safe; Hiding among the crowd with our voices lost, muffled by a shame we feel if our thoughts differ from our people's. There is no room left for imagination in the restless mind. It cannot be!! cries that inner voice inside. I
MUST
BE
AN
INDIVIDUALIST!!!

Sports

TOUCHDOWN!

Valdosta State College fielded a football team for the first time ever in 1982. Competing in the highly-respected Gulf South Conference, the Blazers rolled up an impressive 5-5-1 record.

Coach Jim Goodman's team opened the season on the road with a loss to Mississippi College, but the Blazers did have a good outing.

The first victory came in the home opener against Troy State on the strength of a Brad Bauer field goal.

Although it was the first year, the team made itself known around the league. Senior quarterback James Owens led the conference in passing and set three GSC records in the season ending loss to Georgia Southern.

Carl Armstrong also had his name etched in the record books. He set the league records for passes caught and in yards receiving. He tied a record for most touchdown passes in a game.

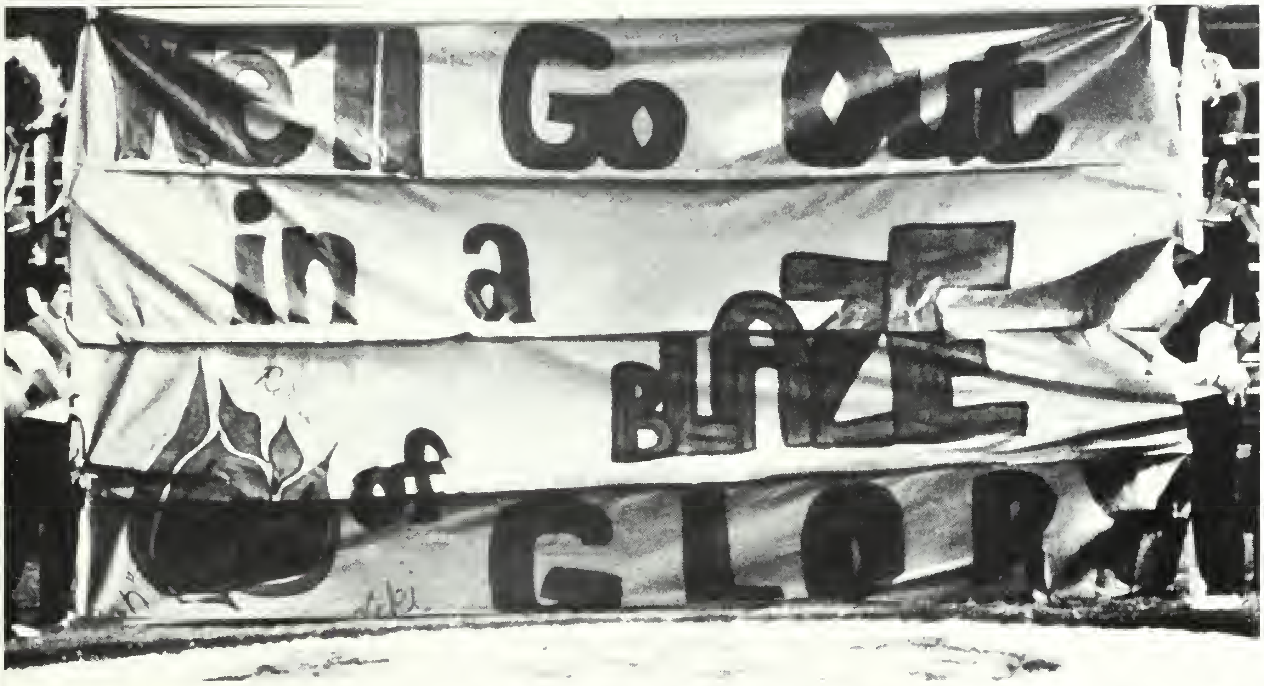
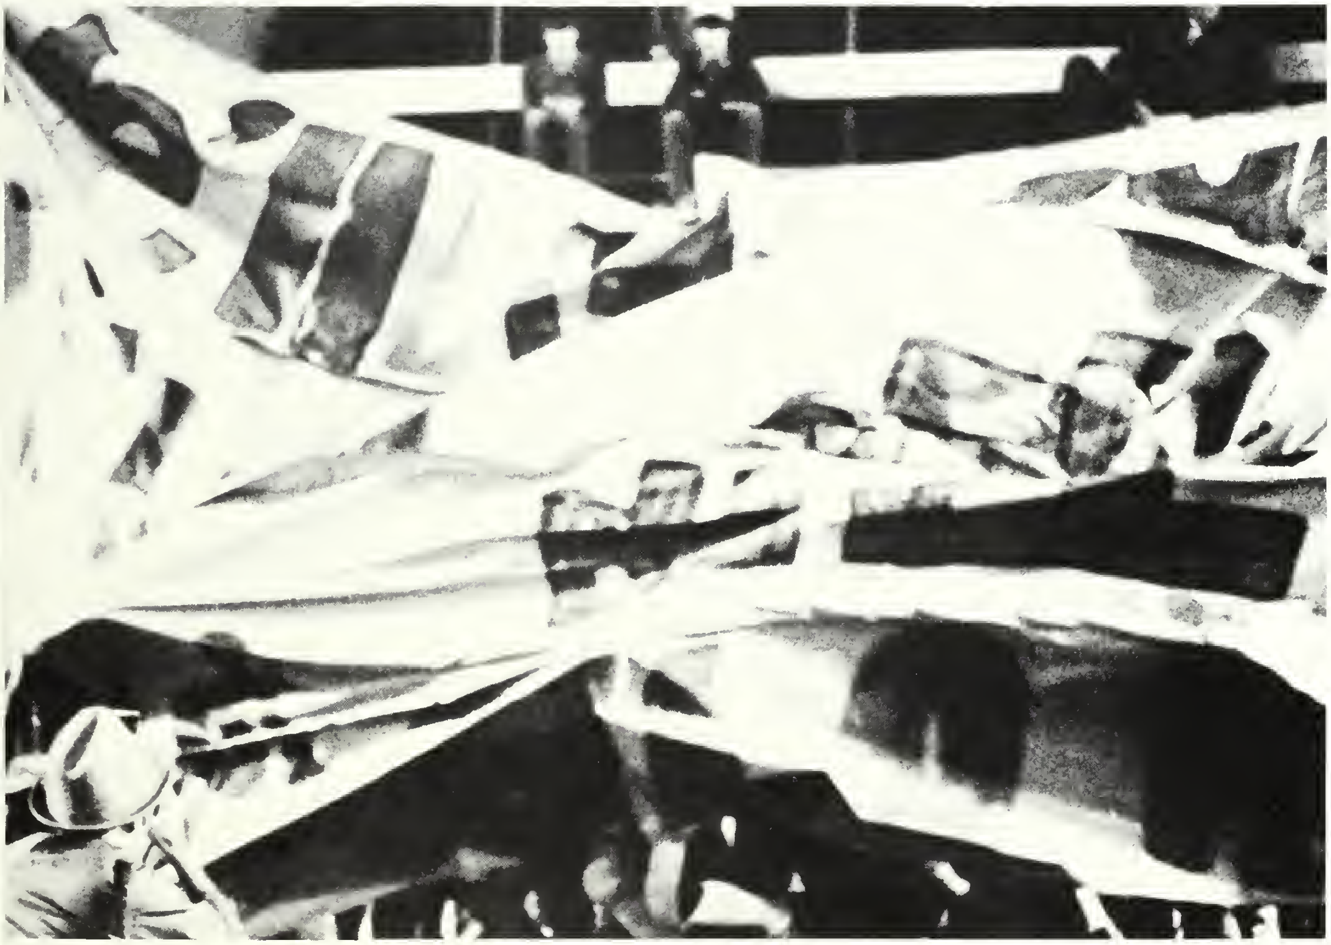
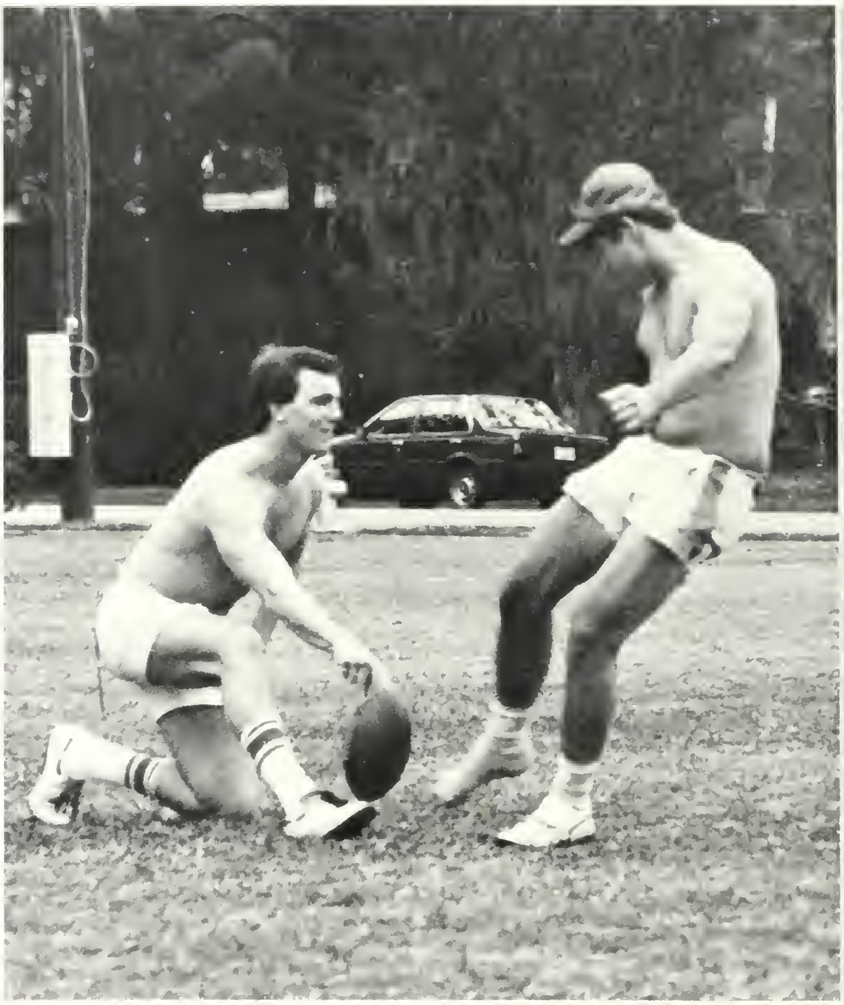
3. Willie Jefferson and David Giryard fight for a recovery.





FALL BAC



After twenty-two straight winning seasons, eleven under head coach James Dominey, the Basketball Blazers faltered in 1983 to a 14-15 record.

The team, in its first year in the GSC, almost salvaged the season in the league championship tournament. There, the Blazers lost to Jacksonville State in the finals. The season had ended one game short of the national tourney.

The nemesis for the '83 Blazers was road games. The Blazers had a fantastic 12-3 home record, but until the last road game of the season, were winless away from the VSC P.E. Complex.

The Blazers did put together a road win streak near the end of the season starting with the Troy State game and going into the tournament.

But Coach Dominey had a good nucleus to build on. Only Bret Campbell and Ivey Hubbard were lost to graduation.

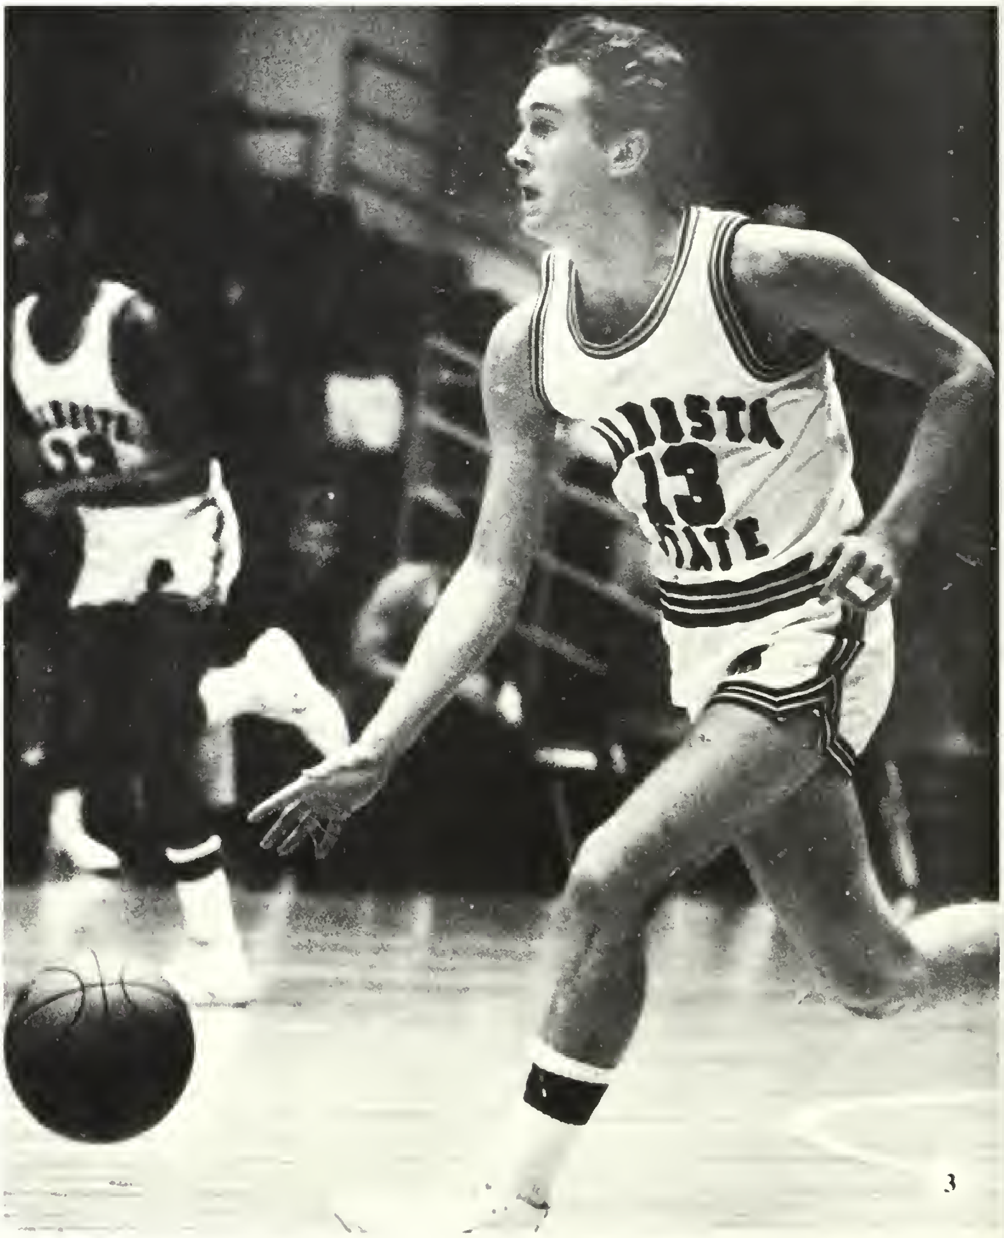
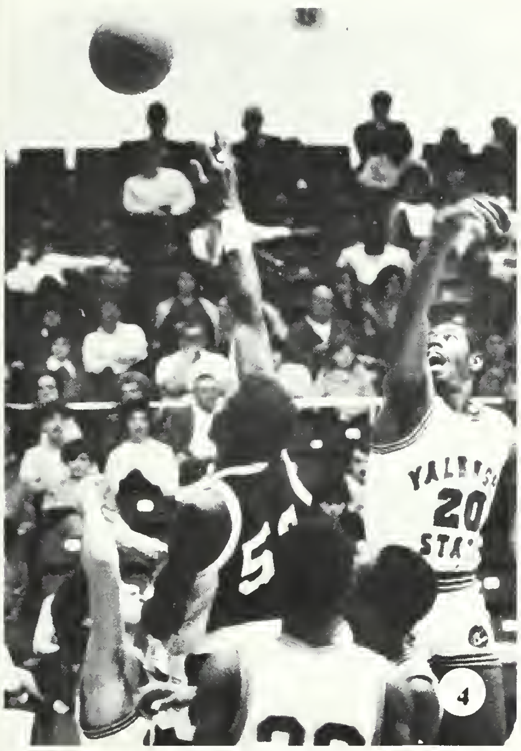
5. Richard Richardson sinks a basket.
6. Tommy Conley guards against a Livingston player.





4

5

6

7

Head Coach James Dominey won the 200th game of his career during the 82-83 season.

Hopes of the Final Four Tournament were dashed for VSC's Lady Blazers as they lost in the quarterfinals of the NCAA National tournament to Virginia Union, the eventual national champions.

The Ladies ended with a 29-6 record, having rolled over the middle portion of their schedule. From the 110-33 whipping of Siena Heights to the 110-66 trouncing of Tuskegee, the Lady Blazers had little trouble with their schedule.

And even when they opposed a tough team, the Ladies fought them off as well.

When the team takes the court next year, the basic nucleus of the team will return.

1. Cheryl Johnson gets the jump ball.
2. Janice Washington shoots free throw in Tushegee game.
3. Cheryl Johnson tries to recover as Livingston defender goes for ball.
4. Pam Johnson blocks a shot in the Tushegee game.
5. The intensity shows on the face of Sherri France.
6. Pam Johnson attempts a baseline shot.
7. Cindy Cooper plays defense against Troy State.
8. Pam Johnson shoots for two points.

HOME-RUN

The Blazers baseball team competed in the NCAA College World Series for the first time since they won the tournament in 1979. Unfortunately, the team was eliminated in the third round by the eventual national champions, Cal-Poly Pomona.

The Blazers got off to a hot start at the beginning of the year rolling up an impressive record in the Gulf South Conference. Throughout the year, Coach Tommy Thomas' team was near the top of the polls, second at one point only to Florida Southern.

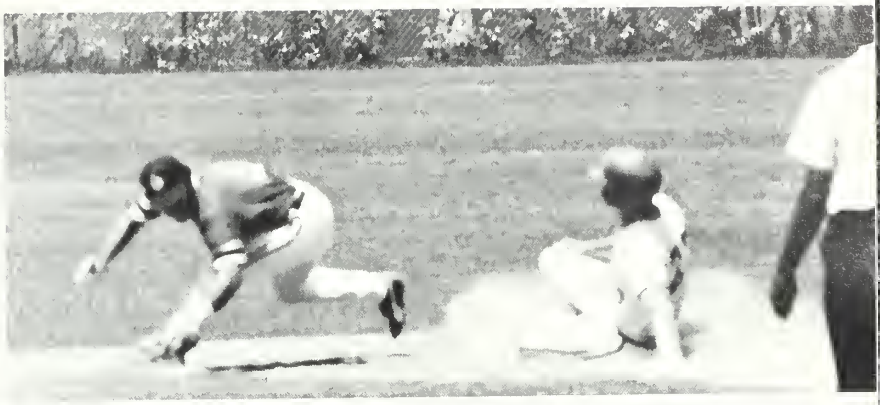
The Blazers hit a slump near the end of the season which saw them drop nine of eleven games. The slump continued into the conference tournament, where they lost to rival Jacksonville State.

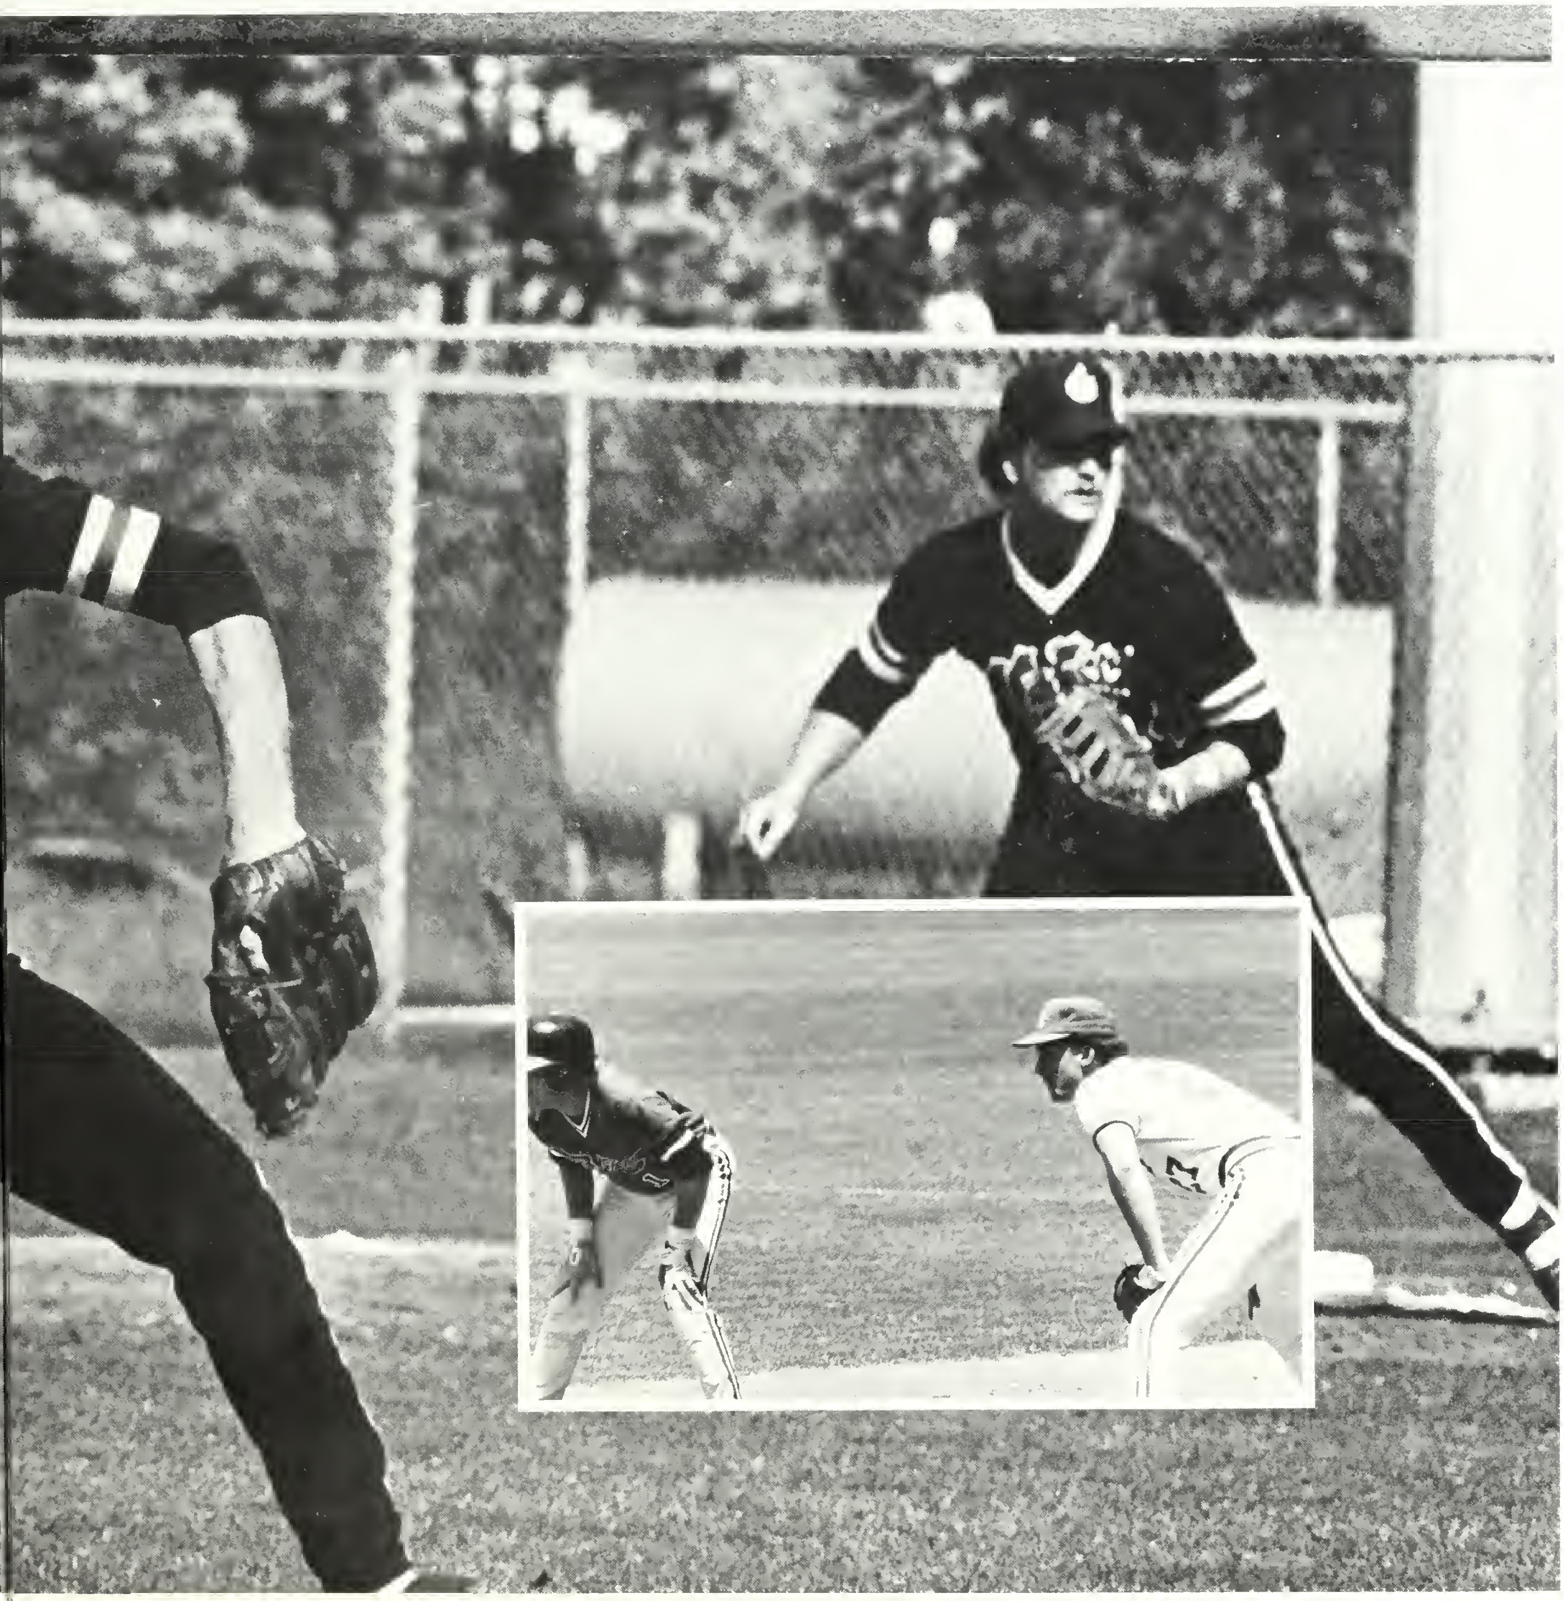
But the Blazers came back. They won the South Atlantic Regional Tournament beating Columbus 18-8. Columbus had been a thorn in the Blazers' side all year. But when the season was on the line, Valdosta State came through.

In Riverside, at the national tournament, VSC beat Southern Illinois-Edwardsville, and lost to Jacksonville State. Yet the highlight of the tournament came in round three, when the Blazers were paired with Florida Southern, the nation's top team. Valdosta State eliminated the Mocassins with an 8-1 victory.

Later that night, Cal-Poly Pomona eliminated the Blazers and doused their chance for a national championship.

Valdosta State had two first team All-Americans. Centerfielder Chuck DeVane and first baseman Wayne Fugett were named to the elite team. June Munford and Charlie Moore were named to the second team. Pitcher Ricky Tucker was named to the third team.





1. Teammates congratulate Wayne Fugett after he hits a home run.
2. Greg Waits prepares for the pitch.
3. Greg Waits scores a run in the GSC Championship game against Jacksonville State.
4. Kip McLeod and Mark Murad greet Greg Waits after he scores run in GSC Championship.
5. Chuck DeVane rounds third base.
6. Freshman pitcher Kevin Faulkner pitches against Troy State.
7. Wayne Fugett at the plate bats in a game against Columbus College.

The 1983 *Milestones'* staff faced a condensed deadline schedule, which pushed a seven-month job into only two and a half months. Bidding for the 1983 *Milestones* could not take place until all legalities with Herff Jones Company had been cleared up.

The goals for this year's *Milestones* were: 1. to complete all pages prior to the June 15th deadline, 2. to represent a cross-section of the numerous changes on campus during 1983, 3. to provide a more candid view of campus life, 4. to have the 1983 *Milestones* delivered for Fall Registration.

The 1983 *Milestones* reflected structural changes. Some changes were: 1. reduction in pages to accommodate limited budget, 2. the student section was divided alphabetically by classification, 3. a more collegiate-designed cover, 4. use of composites in Greek section.

The 1983 *Milestones* would not have been completed had it not been for the Delmar/Byron Kennedy and Company representative, Lisa Coker Brown's endurance and creativity.

It is with some regret as well as joy that I leave VSC and *Milestones*. I hope this year's book has successfully captured VSC in 1983.

BAPTIST STUDENT UNION

Baptist Student Union is a fellowship of college students designed to strengthen faith in God through a common bond. BSU meets twice a week for Family Altar, which affords discussion groups, guest speakers, and support. One BSU project involves car washes to raise funds for summer missions. All students are invited to participate in its activities, and "membership" is based on participation. BSU's favorite slogan is "BSU is U."

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association is a student organization in every sense. It is student-led, student financed, and student oriented. The S.G.A. consists primarily of three branches: the Executive, the Legislative, and the Judicial. The Legislative powers of the S.G.A. are vested in the Student Senate. The Judicial Branch consists of a Judicial Council and two area Judicial Councils. Members of the Councils are appointed by the S.G.A. President and approved by the Senate. The Executive Branch is composed of four officers. The Executive Branch implements Senate Legislation; recommends new legislation; and maintains policies, regulations and recommendations formulated by the legislative body.

COLLEGE UNION BOARD

The College Union Board works very closely with the SGA. They, along with the new CUB Director John Meets, brought to VSC its first CHICAGO concert fall quarter. Other events sponsored by the CUB were Jack White, pool expert, Deluca hypnotist, talent shows, Whitehead movies, and the spring Fun Carnival.

Another new event was the Health Fair for the students, faculty and staff of VSC. These events provided a change in the students' monotonous study routine.

The Spectator experienced many changes this year starting with the increased size of the paper from a tabloid to a full-sized edition. A new type style was introduced as well, which allowed more variety for the different sections of the newspaper.

Ed McMinn took over as the faculty advisor this year after completing his Master's Degree at VSC in Education in 1982.

Tuesdays found staff members pulling "all nighters" to meet the deadline for the weekly edition of *The Spectator* on Wednesday. The highlight of the quarter came when the final edition was produced.

Satirizing itself and "life at VSC," *The Speckled Tater* missed nothing, with stories ranging from an interview with E.T.'s mother to a story about a talking dog at VSC.

WVVS

Ninety Point Nine

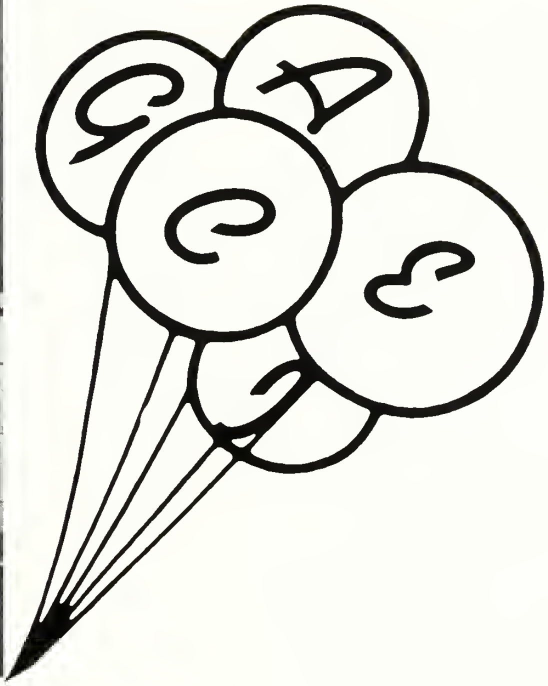
OFF HOURS ROCKERS

WVVS, the student-owned and operated radio station, started moving in a different direction this year. Wholesale staff changes resulted in a new Station Manager, Operating Manager, and Music Director.

The new regime instituted 24-hour programming on weekends, as well as a strong campaign for increasing the station's power. More changes are on-tap for the future, including plans for eventually bringing the sound of stereo to WVVS's broadcast area.

You can keep abreast of what's happening around campus and around town, if you keep your dial set on 91 FM — "THE ROCK OF THE 80's."

GEORGIA ASSOCIATION OF CHILDHOOD EDUCATION INTERNATIONAL



HEAD RESIDENTS
RESIDENT ASSISTANTS

Honor

ALPHA LAMBDA DELTA recognizes scholastic achievement of freshmen and women. The society received its national charter in February, 1973. To become a member of Alpha Lambda Delta, a student must have completed one full academic quarter, maintaining at least a 3.5 grade point average out of a 4. Active membership is limited to one year.

SIGMA ALPHA CHI is our oldest campus honor society, dating in its present form, from 1952. However, its ancestors were two honor societies founded in 1936, when this institution was known as Georgia State Women's College. Sigma Alpha Chi offers membership to those students who have completed 30 academic hours, with an overall grade point average of 3.3 — students must maintain this average to retain membership.

PHI KAPPA PHI is VSC's highest scholastic honor society. The VSC chapter was chartered in 1974, and is now one of over 200 such chapters in 49 states, Puerto Rico and the Philippines. An elected senior must be in the top 5% of his class, with a GPA of at least 3.75, and his transfer hours cannot exceed the number of hours earned at VSC.

ALPHA CHI has as its purpose the promotion and recognition of scholarship and those elements of character which make scholarship effective. Membership is limited to juniors and seniors with a grade point average of at least 3.5, who rank in the upper 10% of their class.

Societies

WHITEHEAD SCHOLARS — another important, prestigious group is the Whitehead scholars. These Whitehead Scholarships have been made possible by bequests from the estates of the late Mr. and Mrs. R.B. Whitehead of Valdosta. The scholarships are awarded by the Whitehead scholarship committee on the basis of academic average and academic standing in the candidate's high school or junior college graduating class, Scholastic Aptitute Test scores, and an essay submitted with the application.

Honor Societies cont'd

CARDINAL KEY was founded at VSC in February, 1970, and is an honor society for women who display qualities of scholarship and personal character. Women invited to enter Cardinal Key must be either juniors or seniors, have a cumulative average of at least 3.0, and be involved in at least three campus organizations, holding an office or making a significant contribution in at least one of the organizations.

OMICRON DELTA KAPPA is a national honorary leadership society for senior college students, faculty members and alumni. Qualifications for membership include service in campus life, scholarship, genuine fellowship, and dedication to democratic ideals.

Gospel Choir

The Gospel Choir consisted of dedicated students who met weekly in the College Union Building to harmonize their voices for a time of fellowship.

The Joy-Full Ministries, led by Glenn Hatcher, met three times a week for a time of Bible Study and prayer. This is a new name for the ministry that has been a part of VSC off and on the past eight years.

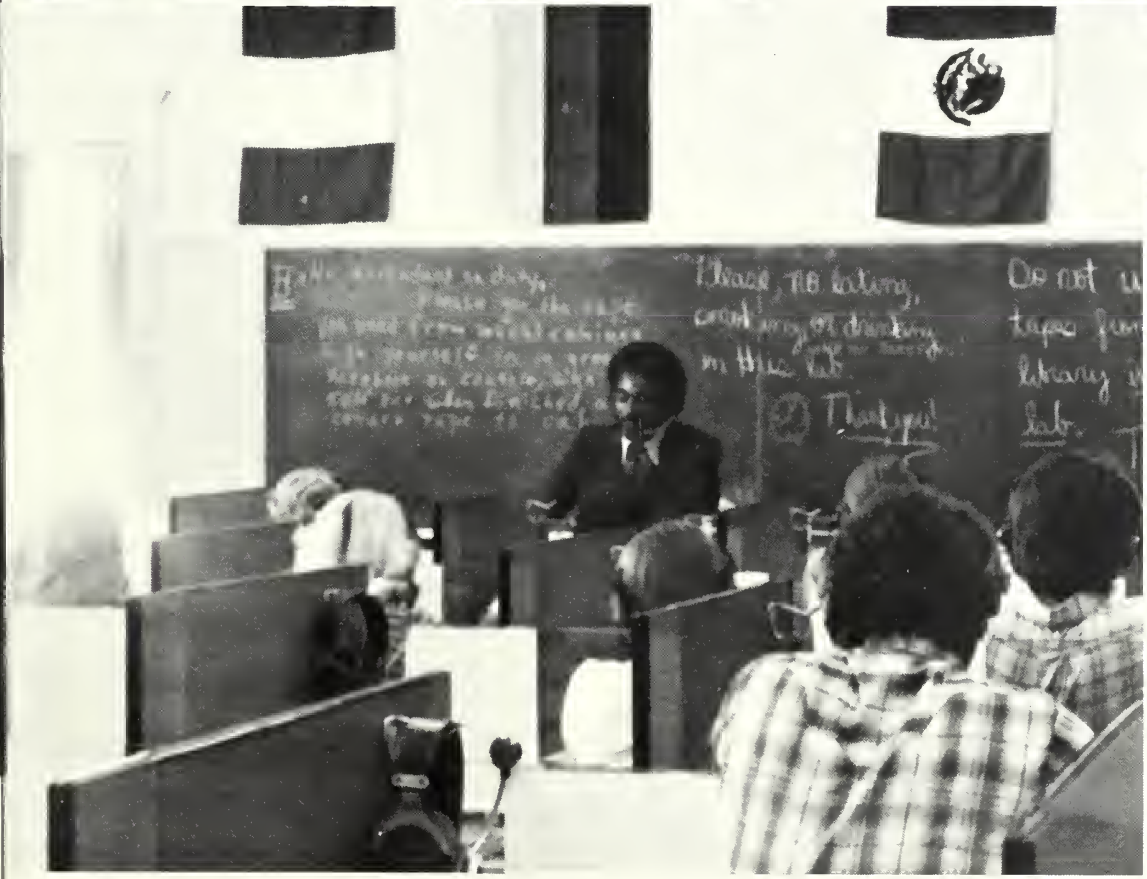
People

VSC People

The American Heritage Dictionary defines people as a body of persons sharing a common religion, culture, language or inherited condition of life and persons with regard to their residence, class, profession or group.

The administration, faculty, staff, and students (VSC people) at VSC are aware of the common goal to communicate and associate with each other and the world. Some may have to Change their former priorities in order to accomplish this goal. They must recognize the commonality among themselves in order to see where their life fits in at VSC.

VSC people have had to Change in order to keep up with our ever-changing world. New Schools within a school, such as the School of Nursing realize the need to expand to accommodate both male and female nurses. Telecommunications are advancing and so must VSC Telecommunication facilities, faculty, and students.



Please, no eating, smoking or drinking in this lab.

A Heart-felt CHANGE

NURSING

Patricia Small and her nursing staff were presented a heart warming valentine by the Board of Regents. On February 14, 1983, the department of Nursing Changed to become the School of Nursing with Patricia Small as its new Dean of Nursing.

VSC TV

Faculty of the Department of Communication Arts includes

Wesley R. Christie, Dept. Head
Joel O. Boatright
Kent R. Colbert
Robert T. Jones
Beth W. McRae
Coral M. Ohl
Donald E. Phillips
John H. Rudy
Charles R. Wheeler

TELECOMMUNICATIONS

This department has an auction to help with the equiping of the television station and to provide scholarships for Telecommunication majors. This year Spectrum II was held at the newly opened Valdosta Mall. This exposure for the television station at the Mall helped to raise the needed support for the advancing telecommunication students at VSC and to help in the constant up-dating of the VSC television equipment.

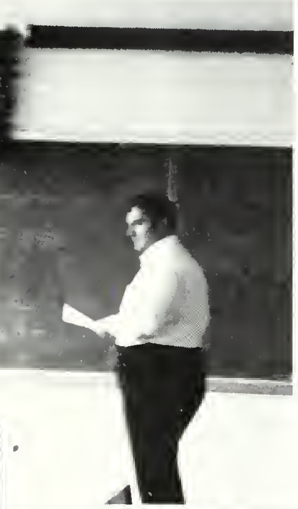
ExCHANGING Services

There are many at VSC who perform some type of service for others. Mike Floyd and his dedicated staff strive to provide nutritious and enjoyable meals. Dr. Greer, head nurse Donna Nolan, and the infirmary staff are always willing to provide the students medical needs. Tommy Clark and his staff are necessary to help students locate what they need amiss their (the library) CHANGE from the Dewey System to the COM System. Robert Kellner has become the director of resident life (housing). Rena Jones acquired the directing of the VSC Post Office after Betty Bennett retired. Tommye Miller orders books for the professors who desired a Change in books for the second straight quarter. Jack Beverstein and his crew must keep a close eye on the campus to lessen the crime at VSC. The Maintenance people along with the Custodial staff (especially 20 year Willie Wade) are always having to clean up and set up the many VSC facilities.

This exchanging of services helps VSC students to concentrate on the Changes they must personally make to be all they can be both here at VSC and after they leave VSC.

VSC "Real People"



The commonality we all have at VSC is that we all are "real people." Professors do not just stay in their offices; they communicate and associate with the students. They can be found at Hoagies (Ex. Ruth Sisson and Carol Mikkelsen) or like Guenter Roesch behind the Blazer Room new video game. Dr. Wright's skinny friend and Mr. Crowley's Brier Rabbit stories help to lighten the ever-changing pace at VSC.

Students have their moments to read a long awaited letter, cool their thoughts by the library fountain, or hang from the famous Langdale tree.

These Changes in pace help VSC "real people" cope with the world's CHANGES.

Reflections . . .

We review the year with numerous reminscence. The first Blazer football victory over Troy State. The long walks from the "cemetery parking-lot" to get to classes. The unusual spring weather which did not know when to begin and remain. Who could forget CHICAGO, who came in a blaze of sound, or the night that Hopper Hall almost went up in a blaze of despair. Still to come are the CHANGES we must face to continue here at VSC or move on to the career that has just begun.

We Are Making

CHANGES

CHANGES CHANGES CHANGES.

CHANGES CHANGES

CHANGES CHANGES

But some things never CHANGE!
